Finova- The Finance Club

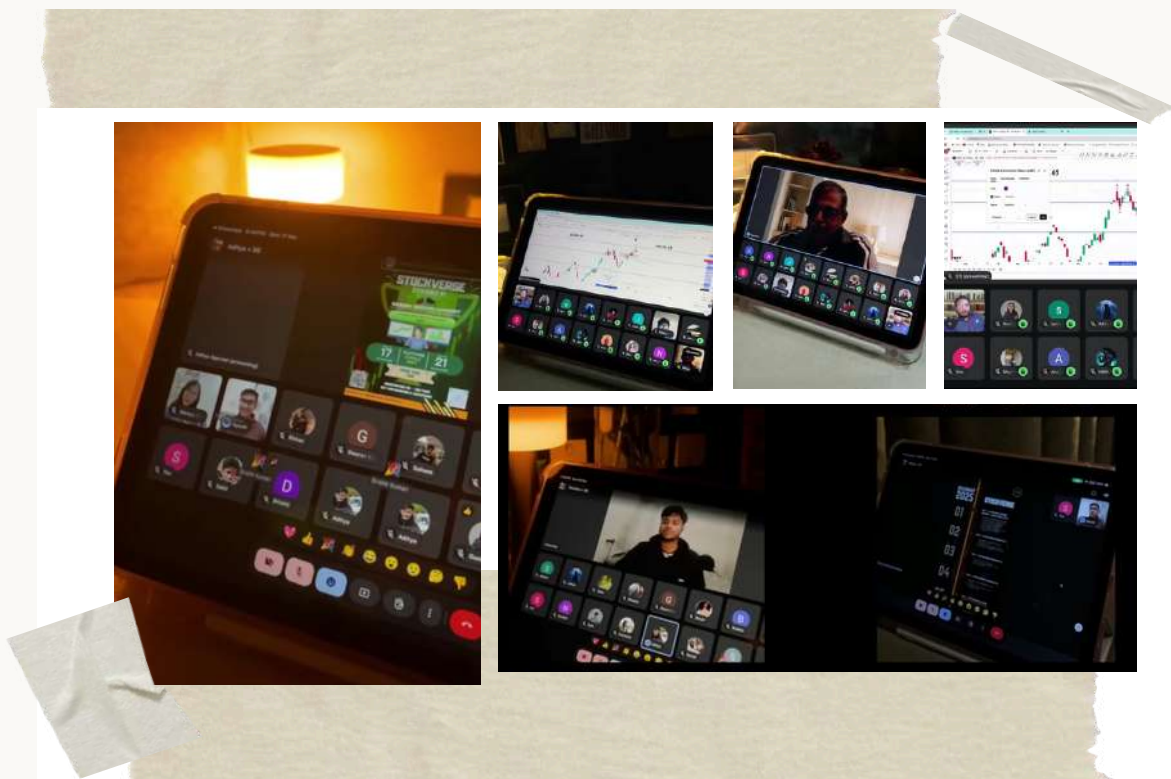

# 1. Event Overview

Finova – The Finance Club of St. Xavier’s College, Ranchi organised StockVerse , a five-day online stock market simulation competition from 17th to 21st November 2025.

The event was organised to provide students with practical exposure to financial markets through a simulated trading environment. Participants were encouraged to analyse market movements, manage their portfolios and make strategic decisions while navigating changing market conditions. StockVerse was open to students from St. Xavier’s College as well as participants from other institutions, providing a wider platform for interaction and healthy competition.

NexGen Trading Academy is a financial education institute focused on practical market knowledge, trading and risk management. Its support strengthened the learning and market-awareness objectives of StockVerse 2025.

## 2. Event Highlights

### 3. Event Proceedings

(5 Days. 3 Trading Days. 1 Market Experience)

#### **17 Nov – Opening Ceremony**

Introduction to the competition and trading simulation.

#### **18 Nov – Trading Day 1**

Participants began building and managing their portfolios.

#### **19 Nov – Trading Day 2**

Participants analysed market movements and adapted their strategies.

#### **20 Nov – Trading Day 3**

Final trading session and portfolio evaluation.

#### **21 Nov – Closing Ceremony**

Results were announced and top performers were recognised.

Each participant/team began the simulation with a virtual starting capital of ₹10,00,000. Across the three trading days, participants analysed market movements, managed their portfolios and made strategic trading decisions to maximise their returns. The simulation provided practical exposure to market volatility, portfolio management and risk-return considerations.

### 4. Outcomes & Achievements

- Successfully conducted a five-day stock market simulation, combining financial learning with practical trading experience.
- Engaged 23 teams in a competitive environment focused on market analysis and portfolio management.
- Strengthened participants' strategic thinking, risk awareness and decision-making skills.
- Provided hands-on exposure to market movements, portfolio performance and risk-return considerations.
- Encouraged healthy competition, teamwork and active participation throughout the event.
- Recognised top performers based on their strategic approach and final portfolio performance.

## 5. Winners

The competition concluded with the recognition of participants who demonstrated strong market analysis, strategic decision-making and portfolio management throughout the simulation.
